

Dear method enthusiasts

The [ITD Alliance Working Group on Toolkits and Methods](#) is working on ways to provide an overview of toolkits that support inter- and transdisciplinary (research) collaborations.

We currently are developing ideas on how such an overview could be visualized and we cordially invite **your feedback** on the first 'minimal viable products'!

Please visit our [Mural Board](#) and watch the [User Testing Video](#) (2.5 minutes). If there are any questions about how to use the mural board, contact: sibylle.studer@scnat.ch.
