SCIENCE after NOON

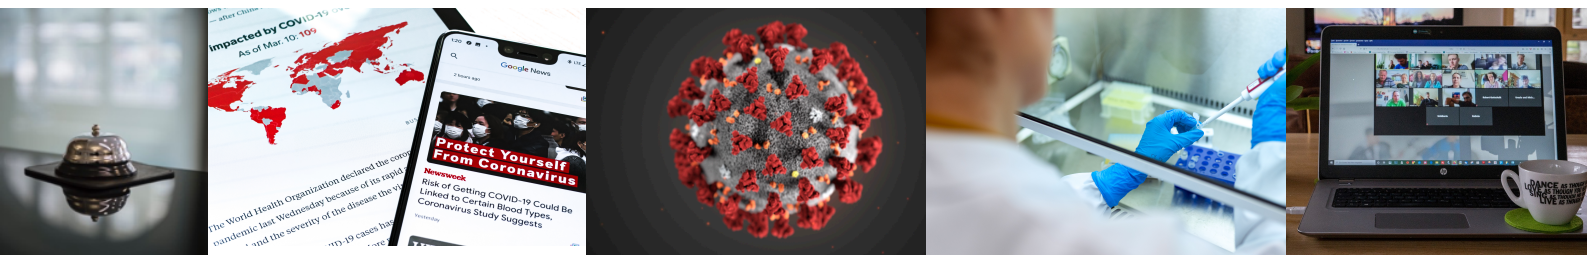

Tuesday, 16 March 2021

13.15 to 14.15

Virtual Event with zoom: Registration at info@swiss-academies.ch

Livestream details one week before the event: <https://bit.ly/3adfgDF>

#SciNoon, @academies_ch

COVID-19 – Has Science Communication failed?

Science reporters and communicators all over the world face an unprecedented change with the onset of COVID -19. In many ways, the pandemic influences the production of scientific knowledge as well as its dissemination among decision-makers and the general public. Learn more on the results of the survey **#CovidSciCom – Perspectives from the Pandemic** conducted by swissnex India (Lead), swissnex Boston, NIAS, Science et Cité and Swiss Academies of Arts and Sciences.

Introduction: Claudia Appenzeller, exec. MPA, Secretary General of the Swiss Academies of Arts and Sciences

Presentation of the survey results: Jonas Brunschwig, swissnex Boston

Pannel

Prof. Marcel Tanner

President of the Swiss Academies of Arts and Sciences

Subhra Priyadarshini

Editor in Chief, Nature India

Huma Khamis

Science Journalist at Radio RTS for the program CQFD, vice-president of the Swiss Association of Science Journalism

Moderation: Sebastien Hug, CEO swissnex India and Consul General & Dr. Philipp Burkard, Head of Science et Cité

Suggestions for further topics are always welcome. Contact: lucie.stooss@akademien-schweiz.ch
