

## News by Focus Sustainability

[Focus Sustainability](#) is the new national centre for student engagement for sustainability. It supports students at all Swiss Higher Education Institutions to get meaningfully engaged with sustainability. In order to plan its next project phase from summer 2022, Focus Sustainability is inviting students and Higher Education Institution representatives across the country to share their ideas: What goals should Focus Sustainability pursue in its second project phase — from autumn 2022 to winter 2024? To give space to the individual needs of the different Higher Education Institution types, Focus Sustainability organises three separate virtual meetings.

**Who is invited:** Students at Higher Education Institutions and Higher Education Institution representatives (presidents, managers, professors, academic staff, administrative and technical staff...) across the country

**When:**

- Universities of Teacher Education: Tue, 29th March 2022, 4:00-5:45pm
- Universities of Applied Sciences and Arts: Wed, 30th March 2022, 4:00-5:45pm
- Universities: Thur, 31st March 2022, 4:00-5:45pm

**Where:** Online (Zoom)

**Registration:** To participate, by Sun, 27th March 2022, please send an email to Annuscha Wassmann-Tomura, Project Co-Manager at Focus Sustainability: [awt@focus-sustainability.ch](mailto:awt@focus-sustainability.ch)
